

DEAR FUTURE JENNY

Created on March 11, 2024 by Jennifer ENDSFELDZ NAKASATO

2. Hi dear future Jenny, at the time you read this I will have already improve my speaking in English and will have more trust in my self for been able to talk with the others without been ashamed. The life in Australia will be so much easier that have been now. Don't be afraid of the obstacles that you will have in the way, they will make you stronger. Lovu
